QUALIFICATIONS

- Enrolled in 4th semester of the 3-year Computer Systems co-op program at Mohawk College.
- Experienced in system debugging and support, databases and software integration.
- Great written and verbal communication skills, lead my school's robotics program in various events and competitions and had a great relationship with classmates.
- Exceptional teamwork skills, problem solving ability and always looking to learn more from my peers and grow personally.

EDUCATION

Ontario College Advanced Diploma, Computer Systems (Co-op) *Sept 2023 – Dec 2026*
Mohawk College, Hamilton Ontario

Unfinished Bachelor of Engineering, Software Engineering *Jan 2023 – Sept 2023*
Universidad Tecnologica de Bolivar, Cartagena Colombia

EXPERIENCE

Crew Member *Oct 2024 – Jan 2025*
Chipotle, Hamilton Ontario

- Dynamic environment ranging from grill duties to prep. Sharpened quick thinking ability, decision-making and effective team collaboration. Gained valuable skills in communication, quality assurance, detail, teamwork, customer service, and adaptability.

EXTRACURRICULAR ACTIVITIES & PROJECTS

High School Robotics & Programming Club Member/Lead *2017 - 2022*

- Participated in and lead my school's robotics and programming clubs throughout my entire high school education. Attended multiple events with my schoolmates where we showcased our projects to compete for prizes. Did vast work with Python and Arduino and gained overall hardware abilities and knowledge.
